

Empowerment Platter

Celebrate her bold spirit with Empowerment Platters

Embrace the empowering leadership traits girls develop in the Girl Scout Cookie Program® with a cookie platter that highlights each girl's unique entrepreneurial strengths.

Materials:

- Clear plastic plates
- Clear contact paper
- Empowerment Platter clip art (on next page)
- Word bank (below)
- Scissors
- Markers

Directions:

1. Cut a circle out of contact paper that is about the same size as the bottom of the clear plastic plate.
2. Decorate the sticky side of the contact paper circle using clip art, markers or any other decorations you like. Make sure the designs face up. See the word bank for inspiration.
3. Stick the contact paper to the bottom of the clear plate so the design shows through to the top.
4. Decorate the bottom side of the outer rim of the plate with markers, glitter glue, etc. to make the empowerment platter as bold as your Girl Scouts!

NOTE: Remember to keep all decorations on the bottom of the plate, so that you can keep the top side safe to use as a cookie platter. Clean the top side of the platter with food-safe food surface wipes between uses. Do not submerge in water.

Word bank:

- Bold
- Smart
- Creative
- Leader
- Powerful
- Awesome
- Proud
- Inspired
