

High Flying Signs

Call in Girl Scout Cookie customers with High-flying Signs

These high-flying signs will tell your customers exactly where to find you!

Materials:

- Plain white Mylar balloons (round and/or star shaped)
- Permanent markers
- Ribbon
- Helium tank
- Optional: glitter, foam stickers or other decorations

Directions:

1. Decorate the unfilled, blank Mylar balloons on the front and back with permanent markers. Write custom cookie messages, draw original doodles or anything else you like! You can also use glitter, foam stickers or other materials to complete your designs.
2. Once they're decorated, have an adult fill the balloon with helium.
3. Tie the ribbon around the bottom of the balloon to close it off.

TIP: If you don't wish to use helium, or for locations where helium balloons are not permitted, you can blow the balloons up with regular air, and attach each balloon to a thin wooden dowel for display.
